George Alexander Kreps was the son of Christian Kreps and Sally Shoemaker Hines. George married Elizabeth Ann Beeman at Adair County, Missouri, in 1847 and they were living there with their two daughters in 1850 (1850 US Census). Sometime after 1856 George went to California, where he appears at Elkhorn, San Joaquin County, in the 1860 US Census. George enlisted as a private at Sacramento, California, October 25, 1864, and was mustered into Company D (New), 2nd California Cavalry. Private Kreps was mustered out at Camp Union, California, May 29, 1866, and soon returned to Missouri. George and his family appear in the 1875 Kansas State Census at Gore, Sumner County. By 1880 George was living at Arkansas River, Fremont County, Colorado. He filed for a Civil War veteran's pension in Colorado December 18, 1889, and received application No. 744,438 and certificate No. 872,863. George and Elizabeth were living in Oklahoma in 1900 (1900 US Census) where Elizabeth died at Jones, Major County, November 11, 1905. George re-filed for his veteran's pension in Oklahoma February 26, 1907. He was living at Oklahoma City in 1910 (1910 US Census).
